About This Game

TaikoVR is a new way to experience the popular osu!Taiko game mode. In TaikoVR, you will simulate interaction with a taiko drum in order to hit notes to the rhythm. The game supports an extensive library of osu!Taiko songs.

Disclaimers: This game was solely developed as a passion project and has nothing to do with osu! or its partners. *Please do not contact the developers of osu! for support on this game.*
This game is a derivative of osu!Taiko, thus changes were made to adapt to the VR environment.

Features

- Support for a large library of osu!Taiko songs/beatmaps
- A fresh User Interface with intuitive controls
- Haptic feedback
- Support for custom skins
- and more!
